Dear Mr. Ball:

This letter is in response to your letter received in our office on 1/31/2000 and our subsequent telephone conversation the same day concerning specific issues involving our mid-year financial report (01/01/99-06/30/99).

I have tried to the best of my ability to address the three issues raised during our conversation.

1. Enclosed is a new Statement of Organization with supplemental page attached for Line 9.

2. Enclosed is a print out of Itemized Receipts (Line 11c Fac Report). Identification of PAC's is clarified further by avoiding the use of initials only.

3. Enclosed is a print out of Itemized Disbursements (Line 17 Fac Report). I understand that under NationsBank of Delaware (our Visa account) merchants must be identified if we spend \$200.00 with them in any one year. These merchants are identified by MEMO entries, which I have numbered to correspond to the specific entry. I also included a more specific address for those merchants. An appendix page is attached due to lack of space on the original print-out.

I realize that your letter only addressed our mid-year report. In our telephone conversation, however, I indicated that our year end report (07/01/99-12/31/99) had already been mailed to the FEC and the same omissions would appear on it. I plan to send a similar, more detailed PAC contributors and MEMO entries for the year-end report as soon as I return to this office in the middle of February.

Thank you for your help and hope the information provided is adequate for FEC purposes.

Sincerely,

Patricia M. Walker
